

Copyright and Consent Form

Prior to publication of the Conference Proceedings it is necessary that authors provide the following formal written consent to publish and transfer of copyright. The signed form ensures that the publisher has the author's authorisation to publish the manuscript.

An identical file is added as a separate pdf-file. Please print the separate form, complete the required fields, sign and scan it and upload the pdf / jpg file to the OpenConf System on the event homepage.

Conference: ITHEC 2018, 4th International Conference on Thermoplastic Composites

Place/Date: Bremen, Germany, 30 - 31 October 2018

Book Title: Proceedings ITHEC 2018, 4th International Conference and Exhibition on Thermoplastic Composites

Editor: Hubert Borgmann

Publisher: MESSE BREMEN, WFB Wirtschaftsförderung Bremen GmbH, Germany

Paper number (e.g. A1): _____

Title of the manuscript:

Author: (Please print the name and address of corresponding author)

It is herein agreed that:

1. The copyright for the above specified manuscript is transferred to the publisher. In particular, this transfer covers the right to store, reproduce, publish and sell it worldwide as part of the whole ITHEC 2018 Conference Proceedings (print and /or digital version) or as a single part, including reprints, photographic reproductions, microform, electronic form (offline, online) or any other reproductions of similar nature in English language or otherwise.
2. The author certifies that his /her contribution is original, except for excerpts from copyrighted works which might be included with the permission of the copyright holder and respective authors. Moreover, the author certifies that this manuscript does not contain any groundless statement and does not breach any copyright, patent, trademark, statutory right, or propriety right of others. The author signs for and accepts responsibility for releasing this material on behalf of any and all co-authors.
3. The author or, if applicable, the author's employer retains all proprietary rights other than copyright, such as patent rights, in any process, procedure or article of manufacture described in the manuscript. Furthermore, the author retains the rights to publish the submitted version of his/her contribution (pre-print) on his/her own web site, on his/her employer's web site, or in any scientific journals, as far as it is clearly stated that the contribution has been presented at ITHEC 2018 and the corresponding web site www.ithec.de has been made available there. Authors shall not post the publisher's final version (post print) on their own web site, on their employer's web site, or on e-print servers.

4. The publisher agrees to have the specified manuscript published in the conference proceedings at no extra fee exceeding the conference fee, provided the manuscript has been prepared in accordance with the published Guidelines for Authors in time. The CD ROM / memory stick version of the conference proceedings will be distributed to the conference delegates during the registration procedure. A printed version will also be available on request. Both versions will be available from the publisher / event organiser or at local bookstores afterwards.
5. For jointly authored works, all joint authors or one of the authors should sign as authorised agent for the others. The undersigned hereby give(s) permission to WFB Wirtschaftsförderung Bremen GmbH, Division MESSE BREMEN, to have the above contribution published. If the representative author is not able to maintain a digital signature, please print, sign, and scan the document after having filled in all other fields.

Date (MM/DD/YYYY): _____

Author's Signature (on behalf of all accompanying authors): _____

Please note that the receipt of the filled in and signed Copyright and Consent Form is mandatory for publication.
