

Conference Participation Conditions

Conference fee includes the conference proceedings on CD-ROM / USB stick, entry to the exhibition, lunches and refreshments. A **print version of the proceedings** may be **separately ordered** by conference delegates at a subscription price of 38 € plus 7% VAT. This offer is only valid if order is received together with a conference registration **by 31 August 2020**. Afterwards, this offer is only guaranteed as long as stocks last. There will be different conditions for non-participants.

Special Note for Authors

Authors are kindly asked to register. The "reduced fee for authors" will be granted to **one** author per paper only. We expect at least one of the authors to participate in the conference. In case that none of the scheduled authors is present during the event, one of them will be charged with the reduced conference fee to compensate the publication efforts. In this case, the Conference Proceedings will be sent by mail after the event.

Payment/Cancellation

Payment for registration is required in advance to the conference. We accept payment by credit card, by direct debit payment (only for German accounts) or by bank transfer (always stating the invoice no. after receipt of invoice).

In case of cancellation received before or on 18 September 2020, the fee minus a service charge of EUR 40 (plus 19% VAT) will be refunded. There will be no refund in case of cancellation after 18 September 2020. Substitutes are accepted.
